Subject: Bond Release Subject to Submitting Reclamation Contract and to Transfer Reclamation Surety, Robert Clark (Julie B. Clark)/Emery Minerals LLC, Number One Clark/Emeride Mine, S/015/0074, Emery County, Utah

Dear Ms. Clark:

In a letter dated June 8, 2016, the Division of Oil, Gas and Mining requested that you submit a reclamation contract and reclamation surety in the name of Emery Minerals LLC. As of August 30, 2016, the Division has not received those items.

On August 25, 2016, a Division representative inspected the Number One Clark/Emeride mine and found that the site had been adequately regraded. The current surety is \$11,900.00 of which \$9900.00 could be released. The Division would need to retain \$2000.00 to ensure revegetation success, but **the Division is unable to release the bond until the permit is transferred to Emery Minerals LLC.**

The Division needs you to transfer the existing certificate of deposit from Robert and Julie Clark to Emery Minerals LLC. If you need help transferring the CD please call Penny Berry at 801 538-5291 or email her at pennyberry@utah.gov

The Division also needs a revised reclamation contract. A partially completed copy of the reclamation contract is enclosed, and you can also obtain this form from the Division's web site at http://linux3.ogm.utah.gov/WebStuff/wwwroot/minerals/bonding_forms.html. The form to use is MR-RC-SMO.

Please submit the new reclamation contract and transfer the CD by September 30, 2016, after which the Division can proceed with the release.
